Designed specifically for early preschoolers, Play Math encourages children to think creatively by laying the foundation for elementary mathematics, exposing students to early concepts, and involving their hands and minds in playful interactive applications.

專為學前兒童度身訂造的優質數學課程，Play Math 以生動有趣方法增強兒童多元智能及創造性思維的發展，透過遊戲活動 (手眼協調)、故事形式 (主題故事) 來學習有關數學基礎。在輕鬆的學習氣氛中，培養他們成為自律、專注、關愛及充滿好奇心的終身學習者。
